### Product description

When you're ready to take your pain game to an extreme level, give them a cold steel rod on their skin.

The entire length of this rod is constructed of shiny stainless steel. Measuring just 2.3mm inches wide, the thin metal is flexible enough for a good spring, but thick enough for an exquisite bite.

The ergonomic handle is ribbed for a secure grip and comes with an original leather wrist strap.

- Product dimensions 75cm total length.
- Splash proof Yes

### BDSM Safety

#### Safety First in BDSM

Consent, communication, and safety are paramount. Our products include safety features like quick-release buckles. Never leave a restrained person unattended.

Start slow, check in often, and always have safety scissors nearby for emergency release.
