Product description

BDSM is a term created to encompass a group of erotic practices and fantasies. It is an acronym formed with the initials of the following words: Bondage, Discipline; Domination, Submission and Sadism Masochism. It covers, therefore, a series of sexual practices and hobbies related to each other and linked to what is called non-conventional or alternative sexualities.

As an erotic practice, BDSM always relies on the consensus of the participants and is radically distinguished from criminal sadism.
