Product description

You will fall in love with Mr. Pisa and his caresses, which will lead you to unforgettable moments of ecstasy. Its silky matt surface and the flexible, hypoallergenic silicone stem adapt to your curves with elegance. The 10 sensual vibration programs reach all your favorite points with impressive power and stimulate both the vagina and the clitoris: Pisa is equipped with 2 powerful independent engines. If you want intense orgasms, trust Pisa, this is a very versed vibrator on the themes of love, if not an authentic stallion. Your most sensual part will shudder with pure pleasure, promised!

When you place them, their discreet upper sphere rotates against the G-spot while providing powerful, very quiet vibrations. For a totally new sensation, gently introduce the rotating sphere and feel the vibrations along the area of the vaginal lips to the clitoris, to enjoy the most exquisite and satisfying climax.

- Anti-allergenic medical silicone
- Powerful double engine
- Flexible Body
- silent
- 10 Vibration programs

- Measurements; Length 20.7 x 3.5 cm (13 cm insertable)

The batteries of your new favorite toy allow you to recharge it and respect the environment.

The anti-allergenic silicone has a very nice touch, and is the ideal material to have a great time. It is very hygienic, and favors sliding, especially with the help of water-based lubricants of the waterfeel brand, which make the experience a unique pleasure. Your toy can be easily cleaned with water and a mild soap. If you want a more thorough hygiene, you can use a waterfeel dildo cleaning product: just spray it a couple of times so that your toy is perfectly clean.
