Product description

MIA SICILIA™ is a precise clitoral stimulator for external use that allows you to enjoy multiple orgasms as many times as you want. Traditional vibrators can numb the area around the clitoris and most of the time prevent you from experiencing multiple orgasms. Thanks to its exclusive shape like a REAL mouth, its soft and flexible tongue and its revolutionary elliptical movement, MIA SICILIA™ allows you to reach the climax with unparalleled precision. It's perfect for solo stimulation or discreet partner play and allows for a versatile approach to self-pleasure.

1 - ABSOLUTE PRECISION

- Unique real mouth shape with soft, flexible dot-shaped tongue stimulator helps direct oscillations to meticulously stimulate any erogenous zone.

2 – TEN POWERFUL VIBRATION MODES AND TEN TONGUE STIMULATION MODES

- MIA SICILIA™ has ten vibration patterns with different intensities ranging from a soft murmur to very exciting pulses. Another 10 modes of movement tongue that reaches the climax of gods.

3 - ELLIPTICAL MOVEMENT

- An elliptical movement for a completely new unique sensation. The reinvention of orgasms as we know them.

4 - EXTRA SOFT SILICONE

- Ultra-soft high-quality silicone, very pleasant to the touch. MIA's classic design with biocompatible silicone offers you highly gratifying and hygienic pleasure.

MIA SICILIA™ is an innovative clitoral vibrator for external use that provides new sensations to the clitoris and other erogenous zones for multiple orgasms, unlike conventional vibrators that tend to numb the area around the clitoris. Thanks to the TONGUE real simulation movement, it performs a constant elliptical movement, while the soft and flexible tip stimulates with absolute precision. It has a very original shape and contains ten modes of pleasure with variable intensities. MIA SICILIA™ is perfect for individuals or couples who want to experience a different type of orgasm.
