Product description

Mister Size Delay Gel has been specially developed for those who want to prolong pleasure and enjoy more intense and lasting intimate experiences. Its innovative formula, enriched with clove oil and Laureth-9, combines a gentle cooling effect with soothing ingredients that help delay orgasm naturally and effectively.

Unlike other products, **Mister Size Delay Gel** works quickly and reliably: in just 5 to 10 minutes after application, you'll begin to notice its effects, allowing you to enjoy greater control and more time to live every moment intensely.

Water-based, transparent, and with a light texture, ensuring a pleasant sensation on the skin. Compatible with condoms and sex toys, ideal for worry-free use as a couple. Its crystalline appearance and non-sticky consistency make the experience comfortable and natural.
