Producer code	**FETISHID-221132**
EAN	**8435565903244**

Product description

Ronie is a remote control vibrator that stimulates all your anal and vaginal senses: an elegant and simple object, always ready to please you without prior notice.

Incorporate beads into your love games and immerse yourself with Amoressa Ronie Beads in a universe of sensual anal adventures. Whether you use them in your solo games or incorporate them into your moments of pleasure in company: with these sensual sources of pleasure you will have a great time, since this sensual couple comes to make you and your dark cavern happy.

And as is usual when it comes to MORESSA, form and function come together to allow maximum control in its different stimulation modes.

With a rising structure and rounded ends, these 5-piece chains are ideal for anal pleasure explorers and anal sex beginners. Experience an exciting tickling sensation as you remove the chain ball after ball and stimulate your back door in a passionate way. Thanks to its practical loop, you can embark on your adventure with complete peace of mind.

As with all MORESSA pleasure objects, Ronie is designed to provide intense physical joy and absolute spiritual peace in any situation and under any circumstance.

Made with medical silicone, FDA approved and phthalate-free, Ronie provides 1.5 hours of virtually silent vibrations after a charge time of just 1 hour.

With the practical remote control you can control the vibration comfortably and decide who can make the decisions. For wild adventures, leave command to your partner/lover and let him take control.

So that you can enjoy your new friend for a long time, it is recommended that you use a waterfeel water-based lubricant in your wettest games. This way you protect the material and the surface remains silky. You can wash your toy very easily with water and mild soap. For more thorough hygiene, also use a special disinfectant cleaner for sex toys such as Waterfeel or Nina kikí toy cleaner.

- High performance; 7 Vibration Modes

- Fully rechargeable; More power
