Price	**43.84 £**
Number	**87096205**
Producer code	**FETISHID-220408**
EAN	**8435565902957**

Product description

SOPHISTICATED, thanks to its technology and dedicated to the firmness of a Real Man.

REVOLUTIONARY: The vibrations, together with the comfortable ring, give a climax that is both tingling and intriguing. An intense sensation, reminiscent of teen orgasms.

ELEGANT, Discreet and silent, Brad plays with the ambiguity of what is hidden within, a ring that will prolong the sexual act.

It adapts rapidly and naturally to the temperature of your body.

- Zac is easy to attach in place, thanks to its flexible ring. Just position Zac at the base of the penis, and activate the vibraiton button that provides a unique clitoral stimulation.
- Powerful clitoral stimulation, thanks to the sensory rabbit.
- Guaranteed: The silicone ring is extremely flexible and can be removed at any time.
- With a cheerful design and a studied functionality.

It incorporates a rechargeable motor with different programmes that will turn your evenings into swirling whirlpools of pleasure.

- 100% Smooth, medical grade silicone
- 7 vibration modes
- Water resistant / suitable for shower or spa
- Material is safe for personal use
- Phthalates free
- Total measurements: 4.5 cm x 8 cm
- Diameter of the ring: 3cm, flexible, adaptable to all penis sizes
- 1 motor
- USB Rechargeable (cable included)
- Ergonomically correct
- Backlit control with LED lights
- Clitoral stimulation

Working / Use

To turn on Zac, press the on/off button for 2 seconds. This will activate the vibrating mode. Then press the button to run through the 7 different vibrating modes. Once Zac has finished, press the button for 2 seconds to turn it off.

Charging

The vibrator is rechargeable which allows for easy handling, without any annoying cables. Before using it for the first time, you should charge it completely. Use the USB cable included for this purpose.

CHARGING: Insert the USB cable plug into the charging connection hole. Plug into the power supply with a connector or a computer using the USB. A red light glows while the product is in charge mode. When charging is complete, the light goes out.

Warning: the first charging process can take up to eight hours.

Disposal

The disposal of electronic devices must be carried out in accordance with the regulations for hazardous waste in force in the European Union and other European countries, or according to local regulations. Please follow the specific waste disposal regulations in your country and, if in doubt, ask your dealer about disposal options.
