We have adapted **Mr Boss** to make it compatible with **Watchme** . This way, you can control its vibration modes by remote control with your partner to achieve the best orgasms.

As we always prioritize your comfort and enjoyment with total discretion, now you can store your favorite toys in refined matte finish bags that you can always carry with you so you don't miss the best moments wherever you go. They are completely respectful of your hygiene since they are airtight, and will also ensure that your toy is well protected. Mr Boss boxes are now smaller to make transportation easier and reduce storage. We also give you Waterfeel lubricant in single-dose format so you can enjoy the best water-based lubrication when enjoying your toy.

Mr Boss is a premium brand adapted to all budgets, with all the quality standards of high-mid-range erotic toys. The shapes and curves of each Mr Boss vibrator are formidable and designed perfectly to the body to provide enjoyment and pleasure.
