Product description

Enzo; You do not have to look for more you just found your **MR. BOSS**. The powerful vibrator of this series provides a very rich transmission of vibrations from soft to strong with its 10 vibration patterns. Controlled by a single button, the silver base changes color depending on the vibration pattern used. Solo or Enzo is what women want to achieve ecstasy.

- Powerful Motor
- **Watchme** wireless technology compatible
- Anti-allergenic silicone
- Rechargeable usb included
- 10 Vibration programs
- Waterproof
- Lithium ion battery
- Easy to use and easy to clean.
- The use of **Waterfeel** lubricants is recommended for a perfect experience (1 sachet 6 ml included)
- It includes 1 **Waterfeel** Neutral sliding gel **6 ml**
- It includes 1 reusable travel bag for **free**

We've adapted **Mr Boss** to make it compatible with **Watchme**. In this way, you can control the intensity of its vibration modes by remote control with your partner to reach the best orgasms.

As we always have priority your comfort and enjoyment from total discretion, now you can store your favorite toys in refined matte finish bags that you can always carry with you so you do not miss the best moments wherever you go. They are completely respectful of your hygiene since they are airtight, and will also make your toy well protected, Mr Boss boxes are now smaller to make transport easier and reduce stocking. We also give you Waterfeel lbricante in single-dose format so you can enjoy the best water-based lubrication when you enjoy your toy.

Mr Boss is a premium brand adapted to all pockets, with all the quality standards of high-end erotic toys. The shapes and curves of each Mr Boss vibrator are formidable and perfectly designed to the body to provide enjoyment and pleasure.
