### Product description

Let yourself be carried away by an intense and realistic experience with **MATT**, the star dildo of the MR INTENSE collection. Designed for lovers of powerful and deep pleasure, this realistic vibrator combines hyper-realistic aesthetics with internal mechanics that simulate the natural movement of vertical thrusting (Up & Down) for completely immersive sensations. With a flexible shaft of 22cm in total length and 15cm insertable, and an average diameter of 4cm, **MATT** offers a solid and satisfying presence without compromising comfort. Its body is covered in super-soft, high-quality, body-safe silicone with a silky feel that mimics real skin.

Thanks to its powerful internal motor, you'll not only feel deep vibrations, but also the dynamic penetration effect that will make you forget it's a toy. Plus, the wireless remote control lets you play freely—alone or with others—and explore different intensities and modes without interrupting the moment. More benefits? **MATT** is waterproof, ideal for play in the shower or bath, and is easily recharged via a magnetic USB cable, so it's always ready when you are. **MATT** is more than a dildo: it is an intense, sophisticated experience designed for authentic pleasure. Do you dare?
