Product description

Mr. Limpy is always the life of the party! Made with the innovative Fleshtone®, just like the Fleshlight masturbation sleeves, you can stretch it, twist it, pull it, store it anywhere, or use it as a fun gift.

The most original toy for bachelorette parties or simply to leave on the table while you have coffee. Mr. Limpy is a great way to start conversations, break the ice, and have a good time.

It is frequently used by transgender men as a filler to give the appearance of having male genitals.

It is not a dildo that will give you intimate pleasure, Mr. Limpy is more of a toy to have fun with, without necessarily having to be sexual. After all, poor 'Mr. Limpy' has been under a lot of stress lately.

Unlike any experience you've had before, you'll find Mr. Limpy's uses are limitless.
