Product description

This smooth black prostate massager is made of skin-safe material.

The unique shape of this prostate massager is designed to slide comfortably into the anus to tease the prostate, while the rounded end rubs deliciously against the perineum. Redesigned to enhance prostate play with a new entry angle, this massager takes all the best bits of your premium male toys and combines them for a new take on prostate stimulation.

This massager allows for easier stimulation of the prostate and slides perfectly into the anus while the tip massages the perineum. An easy grip handle allows for complete control and the exact penetration experience you want.
