What is MYTHOLOGY Brand?

Mythologyc consists of a range of dildos, all of them made of PREMIUM liquid silicone, available in two versions (with vibration and without vibration) and different sizes (S, M, L). The vibrating, rechargeable version is 100% compatible with Watchme technology.

Completely unique finishes and finishes, Ferrous, Duotone or Galactic.

The finish and finish is not only visibly special, but also internally, an innovative PREMIUM liquid silicone that changes color based on temperature.

Unique Presentation

Opening a MYTHOLOGY product is an authentic experience, visibly from the outside you can see the inside, in a totally cylindrical container that allows you to see what can await you when you discover the interior. In a completely visual way, each MYTHOLOGY has some logos that allow you to see if it has vibration and if it is compatible with WATCHME technology. (

The remote control watch)

WHAT DO MYTHOLOGYDILDOS HAVE IN COMMON?

The most obvious answer is, of course, its size, closely followed by its better-than-real shape. It is our new design totally popular with people who have already had the opportunity to try it. The tip of the MYTHOLOGY dildos is amazing for G-spot or prostate massage, alone or with a partner. The firm shaft has enough flex for easy play, and its PREMIUM liquid silicone cushions as you play.

DO MYTHOLOGY DILDOS HAVE VIBRATION?

Yes, the entire MYTHOLOGY range will be available with or without vibration, the range with vibration will be compatible with the WATCHME remote control watch.
