What are the benefits of using MYTHOLOGY?

Enjoying having sex is, for many, a taboo, even more so when talking about sexual practices with some unusual or traditional additional elements.

Within these optional practices, MYTHOLOGY is born in the line of innovative sex toys; however, what are the benefits of using this innovative and exclusive brand?

The MYTHOLOGY brand are objects that serve both for self-stimulation (masturbation), as well as to intensify pleasure with the partner. It is little known that sex toys not only serve to increase enjoyment in our sexuality, but also help improve and resolve sexual dysfunctions. On the other hand, they have more uses than we think and it does not have to be used as a replacement for something, but rather it can complement what we already know how to use.

Next, let's learn about the benefits of using the new line of MYTHOLOGY pleasure intensifiers, both for our individual use and when we are with a partner and achieve pleasure in different ways:

- **Discover yourself**

MYTHOLOGY let you know what you like, where you like it and how you like it. It helps you get to know yourself better and discover new erogenous zones and enjoy them.

- **Explore**

MYTHOLOGY offers a wide range of vibrating dildos made of 100% medical silicone that also adapt to the Fantasy MYTHOLOGY hologic Harness line, complementing a line of dildos that is unique in quality, shape and presentation.

- **Break the monotony**

Practicing with MYTHOLOGY will allow you to play and try new sensations, breaking the routine of what we are used to doing.

- **Complement yourself**

MYTHOLOGY does not have the objective of replacing but above all to complement during sex. Whether exploring erogenous zones or accompanying penetration, etc.

- **Know yourself**

It will make it easier for you to know yourself (or yourself), in such a way that you know what you like and what you don't like and thanks to this information, share with your partner what you like or don't like about sex.

- **Break free**

It is very important that, in order to use these objectives, you are as free as possible from judgments or guilt, because enjoying sexuality will help you release the stress accumulated during the day, relieving headaches, back pain, helping you feel better and favoring your orgasms.

- **Activate**

Trying MYTHOLOGY allows you to keep your sexual life active, enjoying relationships with your partner a little more and keeping desire alive.

What is MYTHOLOGY Brand?

Mythologyc consists of a range of dildos, all of them made of PREMIUM liquid silicone, available in two versions (with vibration and without vibration) and different sizes (S, M, L). The vibrating, rechargeable version is 100% compatible with Watchme technology.

Completely unique finishes and finishes, Ferrous, Duotone or Galactic.

The finish and finish is not only visibly special, but also internally, an innovative PREMIUM liquid silicone that changes color based on temperature.

Unique Presentation

Opening a MYTHOLOGY product is an authentic experience, visibly from the outside you can see the inside, in a totally cylindrical container that allows you to see what can await you when you discover the interior. In a completely visual way, each MYTHOLOGY has some logos that allow you to see if it has vibration and if it is compatible with WATCHME technology. (The remote control watch)

WHAT DO MYTHOLOGYDILDOS HAVE IN COMMON?

The most obvious answer is, of course, its size, closely followed by its better-than-real shape. It is our new design totally popular with people who have already had the opportunity to try it. The tip of the MYTHOLOGY dildos is amazing for G-spot or prostate massage, alone or with a partner. The firm shaft has enough flex for easy play, and its PREMIUM liquid silicone cushions as you play.

DO MYTHOLOGY DILDOS HAVE VIBRATION?

Yes, the entire MYTHOLOGY range will be available with or without vibration, the range with vibration will be compatible with the WATCHME remote control watch.

CAN I WEAR THIS SILICONE DILDO IN A HARNESS?

Why do you take us? Do you think we would design this beautiful specimen and not let you tie it? Not only is it great in a strap-on, but the skinny base also makes for extra sexy play. The entire MYTHOLOGY range has a compatible harness in size S/M AND L/XL.

DOES MYTHOLOGY HAVE A SUCTION BASE?

It certainly does! It may not look like it, but totally realistic it can be attached to smooth, flat surfaces like mirrors and shower walls. You can even stick it to a smooth floor and play.

- Remember... MYTHOLOGY is the new Versatile dildo.
- An incredible length to try different positions.
- Awesome for leash play, including pegging.
- Firm yet flexible silicone with just the right amount of elasticity
- Extra-thin base lets you get closer than ever

Safety Guide

Safe Anal Play

Never use a dildo without a flared base for anal play – it can get lost! Use plenty of lubricant, start slowly, and stop if you feel pain.

Clean your anal dildo thoroughly after each use with soap and water or a toy cleaner.
