Product description

MYTHOLOGY KUNO-UTOPIA FANTASY DILDO - Designed to attract attention

Kuno Utopia is the ideal toy to use in anal practices. Its design with two marked protuberances helps reinforce anal stimulation, making it the best companion for backdoor lovers. All this is reinforced by a higher rigidity than the other dildos of the brand, since thanks to this, it will make it even easier to use alone, being able to place it on any flat surface desired. This toy will make any area where it is placed shine with its two striking neon colors.

- Sizes
- Total Length: 13cm
- Insertable Length: 11cm
- Diameter: 3.5cm
- Colour: Multi
- No vibration

MYTHOLOGY consists of a range of dildos, all of them made of high-end silicone, available in two versions (with vibration and without vibration) and different sizes (S, M, L). The version with vibration, rechargeable, compatible with Watchme technology.

What are the benefits of using MYTHOLOGY?

Enjoying having sexual relations is, for many, a taboo, even more so when talking about sexual practices with some additional unusual or traditional elements.

Within these optional practices, MYTHOLOGY is born in the line of innovative sex toys; However, what are the benefits of using this innovative and exclusive brand?

The MYTHOLOGY brand are dildos that serve both for self-stimulation (masturbation), as well as to intensify pleasure with your partner. It is little known that sex toys not only serve to increase enjoyment in our sexuality, but also help to improve and resolve sexual dysfunctions. On the other hand, they have more uses than we think and it does not have to be used as a replacement for something, but rather it can complement quite well with what we already know how to use.

Next, let's learn about the benefits of using the new MYTHOLOGY line of pleasure intensifiers, both for our individual use and when we are with a partner and seek to achieve pleasure in different ways:

- **Discover yourself**

MYTHOLOGY allows you to know what you like, where you like it and how you like it. It helps you get to know yourself better and discover new erogenous zones and enjoy them.

- **Explore**

MYTHOLOGY offers a wide range of Vibrating dildos made of 100% medical silicone.

They also adapt to the **Fantasy Mythologic Harness** line that complement a line of dildos unique in quality, shape and presentation.

- **Break the monotony**

Practicing with MYTHOLOGY will allow you to play and try new sensations, breaking the routine of what we are used to doing.

- **Complement yourself**

MYTHOLOGY is not intended to replace but above all to complement during sex. Whether exploring erogenous zones or accompanying penetration, etc.

- **know yourself**

It will make it easier for you to know yourself, so that you know what you like and what you don't, and thanks to this information, share with your partner what you like or don't like about sex.

- **Break free**

It is very important that, to use these objectives, you are as free as possible from judgments or guilt, since enjoying sexuality will help you release the stress accumulated during the day, relieving headaches, back pain, helping you feel better and promoting your orgasms.

- **Get active**

MYTHOLOGY allows you to keep your sexual life active, enjoying relationships with your partner a little more and keeping your desire alive.

WHAT IS MYTHOLOGY BRAND?

Mythology consists of a range of dildos, all of them made of PREMIUM liquid silicone, available in two versions (with vibration and without vibration) and different sizes (S, M, L). The rechargeable version with vibration is 100% compatible with **Watchme** technology.

Completely unique finishes and finishes, Ferrous, Duotone or Galactic.

The finish and finish is not only visibly special, but also internally, an innovative PREMIUM liquid silicone that changes color based on temperature.

Unique Presentation.

Opening a MYTHOLOGY product is an authentic experience, visibly from the outside you can see the inside, in a completely cylindrical container that allows you to see what to expect when discovering the interior. In a completely visual way, each MYTHOLOGY has logos that allow you to see if it has vibration and if it is compatible with **WATCHME** technology (remote control watch).

WHAT DO MYTHOLOGY DILDOS HAVE IN COMMON?

The most obvious answer is, of course, its size, closely followed by its better-than-life shape. New design, totally popular among people who have already had the opportunity to try it. The tip of the MYTHOLOGY dildos is incredible for G-spot or prostate massage, alone or as a couple. The firm shaft has enough flex for easy play, and its PREMIUM liquid silicone cushions while you play.

DO MYTHOLOGY DILDOS HAVE VIBRATION?

Yes, the entire MYTHOLOGY range will be available with vibration or without vibration. The range with vibration will be compatible with the **WATCHME** remote control watch.

CAN I WEAR THIS SILICONE DILDO ON A HARNESS?

Who do you take us for? Do you think we would design this beautiful specimen and not let you tie it? Not only is it great in a harness, but the slim base makes it an extra sexy set.

The entire MYTHOLOGY range has a compatible harness in sizes S/M and L/XL.

DOES MYTHOLOGY HAVE A SUCTION BASE?

It certainly does! It may not look like it, but it can attach to smooth, flat surfaces such as mirrors and shower walls. You can even stick it to the smooth floor to play.

- Remember... MYTHOLOGY is the new versatile dildo
- An incredible length to try different positions
- Awesome for leash play, including pegging
- Firm but flexible silicone with just the right elasticity
- Extra-thin base lets you get closer than ever

Safety Guide

Safe Anal Play

Never use a dildo without a flared base for anal play – it can get lost! Use plenty of lubricant, start slowly, and stop if you feel pain.

Clean your anal dildo thoroughly after each use with soap and water or a toy cleaner.
