### Product description

**Magician** is a hands-free male masturbator. It is made of a super soft material that will give you compact sensations.

With 7 vibration modes and multiple frequencies you can enjoy hands-free masturbation like never before, since thanks to its suction cup it can adhere to almost any flat surface, you can also regulate the position and adapt it to the one you prefer at all times. It also has the option to make it sound at the rhythm of your beats to make the experience more realistic.
