Product description

Oh mom! Anal pleasure and longer, lasting erections at the same time! Enjoy the pleasure and increase your performance in a two-in-one toy. Place the ring on the penis for longer erections, on the testicles for more intense orgasms or even on both as its soft medical grade silicone is flexible but at the same time very resistant. For the strategically curved anal dilator for P-spot stimulation, just apply a generous amount of lubricant (Ohmama recommends its use with Waterfeel lubricants for long-lasting, quality lubrication) and enjoy a spectacular two-in-one experience!
