### Product description

Adventurous fun, that is two games in one! As you carry out the foreplay actions moving around the board, you might also decide halfway through to turn the lights out. Foreplay actions change based on if you are playing with lighting or in the dark. The first person to reach the end, wins a sex position. Fooling around in the dark has never been so much fun!

#### Includes:

- 1 Gameboard
- 1 Spinner
- 2 Game market
- Game rules
