### Product description

Guaranteed effectiveness.

Titan gel is an enhancing lubricant.

- Provides comfort during sexual intercourse, has a positive effect on the quality of sexual life.
- Improves personal power and promotes new and intense sensations.
- Provides good lubrication.
- No stains, easy to remove with water, no residue.
- No fragrance or parabens.

It can be used during sex, as well as a vacuum pump or extender or when performing special penis enlargement exercises known as "jelqing".

The positive effect for penis enlargement is ensured thanks to the synergistic complex of biologically active substances: hyaluronic and succinic acids, as well as natural extracts of lemon verbena and strawberry.

50 ml bottle

#### HOW TO USE

- Apply a layer of TITAN GEL ® twice a day, once in the morning and once at night. Apply to the entire shaft of the penis, massaging for better absorption. You can apply before sexual intercourse or masturbation.

### Enhancement Guide

#### Enhancement Guide

Start with low pressure/short sessions. Increase gradually. Never overdo - injuries possible.

No magic pills - devices work but need commitment.
