Product description

The CONFIDENCE perfume for men is ideal to use throughout the day. It has a slight musky aroma with slight hints of vanilla. You can use the perfume of this range during those moments where a better acceptance or communication is desired. Whether at work, at university or simply while having a coffee with friends. Be more popular, have more confidence and achieve more success at work. Apply the perfume to the wrists, behind the ears and near the clavicle.

If you want to increase the natural function of pheromones, apply a little below the navel. EOL men's line pheromone perfumes are made with today's man in mind. With a sober and elegant design packaging, the fragrances are also suitable for any man and it is possible to choose one depending on the time of day in which you want to use it.

- Confidence is specially formulated for men looking to attract women. It's time to show your adventurous side; the version of you that stays calm, cool, and collected no matter the situation. Impress your girl with your charm by wearing the Confidence Pheromone cologne.
- With a combination of inviting musky scents backed by undertones of jasmine and honey, this cologne is sure to bring out your best features. Infused with pheromones, you'll turn heads wherever you go. Whether you're looking for love, trying to forge genuine connections, or hoping to give your partner something new to find appeal, Confidence is perfect for the job.

We recommend using it as your daily cologne. Not only will it show off your best qualities, but it will help you feel your best, completing your daily appearance and setting you up for success. Confidence is the perfect scent to boost any man's courage. Let me raise yours too.

The top and middle notes, a musky blend of honey, meet and are enriched with citrus elements to express themselves even more fresh and colorful. A new aromatic sensation unfolds in the base notes, thanks to irresistible jasmine and soft notes of vanilla infusion – a rich, inspiring and seductive material, creating a deeply intense and adventurous aromatic fragrance.

Eye of Love fragrances convey a mood of elegant seduction, inspired by the man who attracts with innate magnetism, seduces without provocation and combines authenticity with ease of being. The new woody fragrance, Confidence evokes the mood of intense, yet effortless seduction.

Confidence is specially formulated for men looking to attract women. It’s time to showcase your adventurous side; the version of you that stays calm, cool, and collected no matter the situation. Impress your girl with your charm using Confidence Pheromone cologne.

With a combination of welcoming musky scents supported by undertones of jasmine and honey, this cologne is sure to highlight your best features. Infused with pheromones, you’ll turn women’s heads wherever you go. Whether you’re looking for love, trying to forge genuine connections, or hoping to give your significant other something new to find attractive about you, Confidence is perfect for the job.

We recommend wearing it as your daily cologne. Not only will it showcase your finest qualities—it will help you feel your best, completing your everyday look and setting you up for success. Confidence is the perfect scent to boost any man’s courage.

Let it lift yours, too.

The top and middle notes, a musky blend of honey, are found and enriched with citrus elements to express themselves even more fresh and colorful. A new scent sensation unfolds in the base notes, thanks to the irresistible jasmine and the soft notes of vanilla infusion – an inspiring and seductive rich material, creating a profoundly intense and adventurous aromatic fragrance.

Eye of Love fragrances conveys a mood of elegant seduction, inspired by the man who attracts with innate magnetism, seduces without provocation, and marries authenticity with an ease of being. The new woody fragrance, Confidence conjures the mood of an intense, yet effortless, seduction.
