Product description

Kit for couples that contains one Matchmarker of each, to seduce Him and another one for Her. Elegant bottle of pheromone cologne with a sophisticated and very light design in a travel format.

The Attract Him fragrance possesses a sensual blend of jasmine, grapefruit and amber with a hint of citrus. Very soft and fresh, passion and warmth are synonymous with this perfume. The fragrance to entice Ella possesses a bold blend of cedar, blackcurrant and lemon. With some subtle tones of oak, white amber and musk. Very soft and sweet, virility and irresistible attraction are synonymous with this perfume.

Apply to the neck and wrists and its greatest effect is about 30 minutes after its application. Apply as many times as you want and it is totally suitable for daily use. It comes presented in beautiful packaging and in a discreet and lightweight glass travel container with a 10 ml spray bottle each.

Red Diamond is a sensual blend of jasmine, grapefruit and amber with a hint of citrus. It contains high potency pheromones to attract it.

Black Diamond is a bold combination of cedar, blackcurrant and lemon. Tones of oak, white amber and musk. Contains high-powered pheromones to attract her.

What are pheromones?

Pheromones are known to induce a variety of behaviors, but are most recognized for triggering sexual arousal in others.

Tips

Application Tips

Apply to pulse points (wrists, neck, behind ears). Do not over-apply – a little goes a long way.
