Product description

Elegant bottle of pheromone cologne with a sophisticated and very light design designed to attract her.

The fragrance possesses a sensual blend of jasmine, grapefruit and amber with a hint of citrus. Very soft and fresh, passion and warmth are synonymous with the Matchmaker perfume.

Apply to the neck and wrists and its greatest effect is about 30 minutes after its application. Apply as many times as you want and it is totally suitable for daily use. It comes presented in a beautiful packaging and in a discreet and light glass travel format container with a 10 ml spray.

Tips

Application Tips

Apply to pulse points (wrists, neck, behind ears). Do not over-apply – a little goes a long way.
