Product description

Designed for women hoping to attract men, One Love Pheromone Perfume is refined femininity at its peak. Celebrate your womanhood and lean into your soft elegance with high notes of citrus combined with the floral notes of jasmine, lily, and rose, all mixed with a gorgeous base of musk, ambergris, and vanilla.

You'll find the confidence to increase your intimacy with your partner and romance will blossom everywhere you go. Enhanced connection is the goal, and One Love will help you achieve it with a precise blend of scents and pheromones designed to catch his attention. Your partner will see your warmth drawn to the surface and fall blissfully in love with you again and again.

Apply every day, every night and at every occasion on the wrists, behind the ears and on the back of the knees for a sparkling finish.
