Product description

The MORNING GLOW perfume is created for women, it has a fresh but floral aroma and is suitable for wearing calmly during the day. It is ideal for going to university, work or to go for a drink with friends in a cafeteria. This perfume will facilitate your work and social relationships being much more charismatic.

It can be used daily without any problem. Apply the perfume to the wrists, behind the ears and near the clavicle. If you want to increase the natural function of pheromones, apply a little below the navel. EOL men's line pheromone perfumes are made with today's woman in mind.

- With a sober and elegant design packaging, the fragrances are also suitable for any woman and it is possible to choose one depending on the time of day in which you want to use it.

Rise, shine and grab your Morning Glow to start a new day!
Designed for women looking to attract men, this blooming pheromone-infused combination will excite the senses and show the world who you really are. Bright scents of ylang-ylang, lemon, and apple swirl in a glorious fusion of bold elegance and spring blossoms.

Delicate and feminine notes are perfect to complete your look. You will leave home feeling prepared and ready to face the day!

Presented in an elegant glass bottle featuring the signature Eye of Love initials, the scent is as important an accessory as a fragrance.
You deserve to start each day feeling your best. Morning Glow pheromones will share your happy-go-lucky demeanor with your partner. What are you waiting for? Test it!

Tips

Application Tips

Apply to pulse points (wrists, neck, behind ears). Do not over-apply – a little goes a long way.
