## Product description

CBL Lubricating Gel Fists is a water based gel which moisturizes and smoothest the skin to enhance his sensual experience.

This intimate gel has a moisturizing effect. It gives more comfort during heavier sensual play activities, which makes this experience more intense. CBL Lubricating Gel Fists does not get adsorbed by the skin, which creates a long lasting pleasurable gliding feeling.

Apply a desired amount of the gel on the body parts you want and repeat as often as you like. The gel-like formula gives this product a light and easy spreadable texture, which is neutral to the skin. The gel creates a comfortable feeling during use.

A thick gel like this does not get absorbed by the skin, which ensures a continuous pleasurable gliding.
