Product description

Viagel Delay Gel is a fast-absorbing, cooling gel designed to help men confidently prolong their intimate moments. Formulated with a gentle cooling effect, it helps delay climax while nourishing the skin. Take control of your pleasure and enjoy a longer, more satisfying experience with Viagel Delay Gel.

How does it work?

- This gel features a rich, smooth texture that spreads easily for greater comfort. Its vegan formula, enriched with natural extracts such as Laureth-9 and Avena Sativa Kernel, helps nourish the skin while providing a gentle cooling sensation. Designed for optimal absorption, it increases comfort and pleasure during intimate moments.
