Product description

Cantha S-Drops are energy drops that naturally increase your sexual energy. The drops contain, among other things, L-arginine and, thanks to Vitamin C, improve sexual performance by activating the body's natural energy, which makes you wake up more desire. With Cantha S-Drops you increase erotic tension and sexual pleasure.

- Feel more sexual potency and more pleasure.
- Vitamin C activates the body's natural energy.
- Vitamin C improves physical condition.

How does it work

This invigorator naturally improves sexual performance. The drops are easily and quickly absorbed by the body and improve sexual drive. The balanced formula uses the properties of Vitamin C. Vitamin C favors the proper functioning of the nervous system and regulates the energy metabolism of the human body. This can improve sexual stamina and energy, allowing for more intense sexual intercourse.

Contents

15 ml

Additional Information

It is a food supplement based on L-Arginine and vitamin C. A food supplement should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Keep out of the reach of children. Store in a cool, dry place.

Ingredients

Ingredients in 3 ml: water, 40.5 mg L-arginine**, 15 mg vitamin C (L-ascorbic acid) (18.75% IR*), preservatives: E211, E202. *RI = Reference Intakes. **IR not established.

Use

Place 3 ml (15 drops) under the tongue before swallowing, approximately 30 minutes before the desired effect. Do not take more than 3 ml in 24 hours. Do not exceed the recommended daily dose.
