### Product description

MALE Cobeco Lubricant Water-based is an intimate water-based with a unique gliding texture, for pure pleasure. The lubricant has a hydrating and moisturizing effect that complements the natural body moisture. This way, the lubricant provides more comfort during sexual intercourse. MALE Cobeco Lubricant Water-based has an easy to spread and gliding texture, so you can enjoy intensely.

- Water-based
- Hydrating and moisturizing effect
- Easy to spread and gliding texture
- Suitable in combination with latex condoms
- Content 250 ml

### How does it work

- Apply a desired amount of the lubricant onto the selected body parts and spread it onto the skin. The water-based formula gives the product a light and easy spreadable texture, which is neutral to the skin. This lubricant creates a soft and comfortable feeling during use. A water-based formula like this will be largely absorbed by the skin over time, apply if desired extra lubricant during use to ensure a continuous pleasurable gliding. This lubricant can be easily washed off if necessary.
