Product description

Experience perfect comfort with condoms. Every man is unique, and that also applies to the best piece. That’s why, for **MISTER SIZE**, it’s essential that condoms fit the size of your penis. Only by using the correct size can you enjoy completely free and pleasurable sex without worries. No more annoying pinching or constant fear of something slipping off. You’ll love the difference.

CONTAINS:

- Measuring tape and instructions to discover your condom size
- 3 MISTER SIZE condoms in sizes 53, 57, and 60 mm
- Perfect for finding your exact size.
    - Ideal fit
    - Intense sensation
    - Transparent and smooth, extra lubricated
    - Recommended for a circumference from 10.5 cm to 14.5 cm.

Find your size with the size test kit. The **MISTER SIZE** test kit, with measuring tape and medium trial pack, helps you discover your ideal condom size. The sizes 53 mm, 57 mm, and 60 mm included in the kit cover the most common ones. If you use a different size, you can check it with the measuring tape and feel the difference with the medium trial pack.

- Shape: cylindrical, ideal fit, easy to unroll, with reservoir tip
- Lubricant: dimethicone (silicone oil), extra moisturizing
- Vegan: yes
- Dermatologically tested and 100% electronically tested – Certification: CE 0123 / ISO 4074

With seven different condom sizes, **MISTER SIZE** helps you enjoy pleasurable and worry-free sex. The width varies from 47 mm to 69 mm. The fastest way to find the one that fits you best is with the trial set. **MISTER SIZE** gives you a completely new sexual experience while providing optimal safety. Because this is the only way to fully let go during sex.

The main component of **MISTER SIZE** condoms is latex. It is obtained from the rubber tree and is therefore a completely natural product that, besides rubber, consists mainly of water, but also contains small amounts of resins, proteins, and minerals. In the production of **MISTER SIZE** condoms, only top-quality natural rubber latex from carefully selected suppliers is used. The latex mixture also includes other ingredients that give it good elasticity, reliable tear resistance, and a pleasant neutral smell.

* **Ingredients**: cis-1,4-polyisoprene (natural rubber latex), Zinc diethyldithiocarbamate (accelerator), Phenol, 4-methyl, reaction products with dicyclopentadiene and isobutene (antioxidant), Zinc dibutyldithiocarbamate (accelerator), Zinc oxide (vulcanization activator), Sulfur (vulcanizing agent), Potassium hydroxide (soap), Fatty alcohol (soap).
