### Product description

#### **SWEEDE SENZE AROUSING MASSAGE CANDLE - LEMON, PEPPER, EUCALYPTUS - 50 ML**

Enjoy your love life with a hot and sensual candle massage. This aphrodisiac herbal base is a fine blend of natural waxes, butters, oils and extracts, carefully scented with a minute selection of pure essential oils. Light the candle and in a few moments, the air is filled with a mist of seductive perfumes from flowers, herbs and fruits. Once melted, the candle transforms into a smooth nourishing and moisturizing massage oil.

After 15 - 20 minutes, extinguish the candle and spray the melted, hot liquid on bare skin and massage.

#### **Important:**

As with all candles, please be sure to blow out the candle if you are not in the room. For safety reasons, please blow out the candle before pouring onto skin.
