Product description

Are you one of those who think that we have to put our batteries to take care of the planet? Do you feel that the natural lubricant has not yet arrived for you?

We have finally found it! The secret formula without traps. From the natural, to your home.

Try our new HYBRID lubricant, we have searched like crazy, the best ingredients to adapt you, you will love it. Are you ready?

The HYBRID contains Aloe Vera and olive extract, a perfect mix for those people who need long duration in their relationships. They emulate the natural lubrication of women and intensify at the moment the pleasure of penetration. Take care of your skin and especially, the intimate areas, you will like it so much that you will not be able to separate from it, and not only for sex, you'll see.

Is it really true that it is?

Characteristics:

- Base component: water.
- Organic ingredients and high quality vegans.
- Without animal experimentation.
- Compatible with latex and perfect for use with sex toys.
- Suitable for vegans.
- Soft texture, it is not sticky, nor does it have a viscous touch.
- They do not contain parabens, gluten, or sugar.
- 100ml recyclable bottle. touch soft touch.
