### Product description

Apply to the skin, massaging gently. Upon contact with the heat of the body, the ball dissolves in a short time, releasing a liquid that lubricates, contributing to the game of erotic foreplay and turning sexual intercourse into an intense journey to orgasm.

Contains 2 cool effect balls

Water base

INSTRUCTIONS FOR USE: Moisten the hand with water and hug the Brazilian ball with the heat of the hand and the humidity, the ball melts between 3 and 5 minutes, releasing a lubricating liquid and thus contributing to the game of the preliminaries or as a surprise factor in your relationships. At the same time, it gives off a delicious aroma that stimulates the sense of smell, creating an atmosphere of eroticism and sensuality. Ideal to discover unimaginable sensations of pleasure.

- The outer layer of the ball is water and the inner liquid is oil.
- They can be used anal and vaginal.

Attention; They are not compatible with the use of condoms as they are composed of oil.
