Product description

BUBBLING BATH SALTS from the **PRETTY BUT WILD** collection is a complete skin treatment made from plant active ingredients, which combines 2 uses in 1, as an exfoliant, helping to remove dead skin or for a pleasant and therapeutic bath, thus providing minerals necessary for the body and achieving a relaxing and revitalizing effect.

- Capacity: 350 gr.

How to use:

- Exfoliating: Rub a handful of salts on dry skin, easily removing dead cells and helping your skin feel smoother. Then rinse with a little water.
- Relaxing bath: Add a handful of salts to the warm water. Let it dissolve completely to make the bath. Recommended use for all skin types.

Characteristics and properties:

- Facilitates the elimination of toxins and achieves a restorative and revitalizing effect on your body thanks to the magnesium sulfate it contains and which provides essential minerals that are absorbed through the epidermis.
- It has anti-cellulite, antioxidant and moisturizing properties thanks to magnesium sulfate, centella asiatica, hibiscus, fucus and guarana.
- Provides a smoother, juicier and healthier skin, you will feel softer, ready for your usual cream after bathing.
- Exfoliating: Using it in the shower or in the bathtub, rubbing the skin and rinsing it afterwards, you will discover a more revitalized and beautiful skin, as it removes dead skin by exfoliating the skin.
- Therapeutic bath: Adding the salts to the bath water will help you relieve stress by promoting the production of serotonin, providing necessary minerals for the body through the skin and achieving a relaxing and revitalizing effect.
- Relieves muscle tension, pain or inflammation of the joints, it can also relieve headaches or calm abdominal cramps that bother both during menstruation.
- The truffle provides nutrition to the skin and thanks to its biological particles stimulates sexual desire naturally.
- Its aroma of sweet caramel will take us to the maximum and sensual relaxation.
- Made with active ingredients of plant origin.

Natural assets:

- Magnesium sulfate: helps you relieve stress by promoting the production of serotonin and reducing the effects of adrenaline, it helps us feel revitalized without causing feelings of restlessness or anxiety, relieving muscle tension, pain and inflammation in the joints, helps regulate fluid retention in cells. By rubbing a handful of salts on damp skin, you can easily remove dead skin cells, helping your skin look healthier and feel smoother. Magnesium waters are beneficial for the prevention and treatment of arteriosclerosis and cardiovascular diseases, having a vasodilator action.
- Truffle: moisturizing, nourishing, anti-wrinkle, hypoallergenic, UV radiation protector. Stimulates sexual attractiveness naturally.

-
- Gotu Kola: promotes healing, re-epithelialization, firming, vasoprotective, venotonic and anti-cellulite activity, protection against oxidative processes. Smoothing, soothing, purifying, anti-aging, activator of blood circulation.
 - Hibiscus: maintains elasticity, promotes anti-aging, helps reduce inflammation, firming and anti-cellulite, antioxidant, protection against free radicals.
 - Fucus: stimulates circulation and eliminates toxins, decongestant and anti-edema (triggering cellulite) anti-cellulite.
 - Guarana: anti-cellulite and reduction of lipid accumulation, lipolytic “fat burning” effect.
