Product description

Enjoy this lip gloss with which you can experience unimaginable sensations of pleasure by applying a small dose of this gloss to your lips and vice versa. What makes this gloss so attractive is that it contains waves of vibration that you will feel a few seconds after applying it on the lips and that the other person will also feel in the intimate area when performing oral sex. A feeling of explosion for both of you that you will not be able to resist.

Its vibration waves produce a pleasant tingling that contributes to the stimulation of the senses and increases sensitivity, increasing pleasure.

Have you ever thought that a gloss like this would come into your life that would make you like oral sex even more?

You can also choose from 6 delicious flavors that are 100% edible, so you can taste the flavor that you like while you melt of pleasure in a preliminary that will lead to an unforgettable orgasm.

Also not only you have to use it for oral sex, but also for the most vibrant kisses.
