Product description

WHAT IS YOUR NEXT DESTINATION?

Delicious and soft edible powders which you will enjoy due to its irresistible strawberry flavour with sparkling wine and which will add a beautiful golden glow to your skin at the same time. It will provide you with an experience that will unleash your imagination and allow you to indulge in moments of tender complicity.

The box comes with a feather tickler so you can spread the powder over your partner's body and stimulate every corner of his body; its softness will take you to a world of unique sensations, caresses and tickling are assured, watch out for the laughter.

This experience will awaken your 5 senses like never before, the sense of sight which is the most developed for humans will be even sharper due to the shimmering effect that the powders will leave on your skin, the sense of hearing also comes into play, as the sound of the feather tickler spreading the powders on your skin might be very stimulating, the sense of smell is equally important, as the aroma of strawberry & sparkling wine is so charming that it will make you want to smell it incessantly, the sense of touch acts in such a way that you want to caress and touch your partner's body with the feather, and finally the sense of taste plays a crucial role in this experience, as you can lick, suck, kiss or devour your partner's body until you leave no powder traces. Enjoy using your tongue to savour these 100% edible powders! Feel your partner arousing and exploding with passion.

The box comes with a satin bag so you can store your powders and use it as often as you like.
