Product description

Enjoy this lip gloss with which you can experience unimaginable sensations of pleasure by applying a small dose of this gloss to your lips and vice versa. What makes this gloss so attractive is that it contains vibration waves that you will feel a few seconds after applying it to the lips and that the other person will also feel in the intimate area when performing oral sex. A sensation of explosion for both of you that you will not be able to resist.

Its vibration waves produce a pleasant tingling that contributes to the stimulation of the senses and increases sensitivity, increasing pleasure. Did you ever think that a gloss like this would come into your life that would make you like oral sex even more?

You can also choose between 6 delicious flavors that are 100% edible, so you can taste the flavor that you like the most while you melt with pleasure in some preliminaries that will lead you to an unforgettable orgasm. In addition, you not only have to use it for oral sex, but also for the most vibrant kisses.
