Product description

Wild Warmth! Newly formulated water-based ID Sensation ® is a warming lube here for you to enjoy!

This new warming formula brings the heat in ways you could not imagine. That wonderful spark of sensual pleasure will go into overdrive as you are engulfed in the flames of ecstasy. Sensation knows how to get it done in the bedroom. With just a small application the warming sensation will easily send you into a fit of excitement. A fire that is certain to set ablaze your intimate moments if here for you to indulge in. Hit the ignition switch and turn up the heat in your bedroom today!

With the same consistency as our best-selling ID Glide ®, ID Sensation ® creates gently warming stimulation for an enhanced moment of fun. This lubricant guarantees to ignite passions with just one bottle.

Sensation offers its users a nice bit of heat to set the mood. This pleasant warming introduces a new level of pleasure to ordinary sexual encounters. Trying out new things in bed has always been an appealing course of action for people who seek to a little more excitement in their lives. With the help of this lubricant you are assured to feel the temperature in your bedroom sees a very visible rise.

Adult toy safe, you can use it to pleasure yourself with all of your favorite toys without worry. It also makes a great personal lubricant for masturbatory purposes when you need a little bit of heat with your slip.

One of ID’s ® most exhilarating products, this lube will have its users fired up and ready to fill their nights with passion. Its water-based formula makes it easily removed from any garments or sheets it may have found itself on.

Pick up a bottle today and bring the heat your bedroom desires.

Lube Guide

Water-Based Lube Guide

Water-based lubes can dry out during long sessions – reactivate with a few drops of water or saliva. They leave no stains and wash off easily with water.

Our selection includes hypoallergenic, pH-balanced, and organic options for sensitive skin.
