### Product description

Intimate Mission expansion box.

Misión Intima Original Edition enjoys unprecedented success both in the United States and in other countries. It appears in several major languages and is sold worldwide in more than 30 countries. At the request of thousands of customers, MOODZZ launches an expansion box (volume 1) for sale. This expansion box contains 240 new tests and questions.

It is only possible to play with the expansion box in combination with the Intimate Mission Original Edition game.

This expansion of the game, together with Misión Intima Original Edition, will take you on a journey of erotic discoveries, in which pleasure plays the main role. With these extra questions and tests you and your partner will discover new possibilities. The game begins with soft, romantic tests, continuing with more intimate tests and ending with fiery tests where everything is allowed and nothing is obligatory. In a playful way, barriers are broken, increasing the proximity of each other. The game is disarming, exciting, direct and daring, sometimes even comical, but always respectful. In this game nothing is forced and everything can be executed as desired. Before the game begins, each player makes known what his maximum wish is. This may be an erotic desire or simply breakfast in bed, for example. The winner sees his wish come true and his partner is in charge of making it come true. So in this game there are really no losers.

In short: the game is an absolute necessity for all those who want to have and maintain a playful, intimate and challenging sexual relationship. One of the many reactions from players is that due to the high degree of sensuality the end of the game does not end by following the rules of the game, but...
