Product description

Line up 4 consecutive pieces of the same color before your partner to win the final reward.

You'll want to play non-stop!

CONTENTS:

- 42 pieces (21 white pieces and 21 black pieces) each with a different Kama Sutra position.
- 1 removable game board.

HOW TO PLAY:

Each player chooses a color to play.

Flip a coin to see who starts by placing a piece of their color on the game board, then it's the other player's turn and so on, successively.

The objective of the game is to make Play4sex (place 4 pieces of the same color on the game board vertically, horizontally or diagonally), blocking the other player's actions so that he does not succeed.

The first player to make Play4Sex wins the round, but the best of 3 rounds will win the game. The winner will have The player has the right to choose the Kama Sutra position (from the 4 options that make up their winning line) to perform with their partner at the end of the game.

If no player manages to line up 4 consecutive pieces of the same color on the game board, a tie occurs and a new round must be played until there is a winner.

Available in 8 languages (Spanish, English, German, French, Dutch, Portuguese, Italian, Polish)

Game Guide

How to Choose a Couples Game

Consider your relationship stage and openness. Romantic games focus on conversation and connection. Spicier games include physical challenges and intimate tasks. Many games have multiple difficulty levels.
