### Product description

Enjoy the classic game of dominoes with a spicy twist, where each game is an invitation to enjoy different and exciting endings.

Are you ready to get carried away?

#### **CONTENTS:**

28 pieces with 7 different illustrations.

#### **HOW TO PLAY:**

Place all the pieces face down on the table and remove them before starting the game. Each player takes 7 pieces from the pile. The youngest player starts the game by placing a piece from his pile face up on the table.

Next, it is the other player's turn. He must place a piece from his pile only if it matches the piece on the table. If he cannot place a piece, he will draw a new one from the pile and cannot play until the next turn.

Next, it is the other player's turn and so on.

The first player to run out of pieces must shout "KINKY" at that moment, thus being named the winner.

The winner chooses the desired Kama Sutra position (among those illustrated on the pieces) to perform with his partner. If the winner forgets to shout "KINKY" then he will be the winner. The loser chooses the Kama Sutra position to be performed.
