Shunga is the world leader in erotic cosmetics, its natural ingredients fused with active ingredients achieve great results. Entering the erotic world of Shunga is traveling to the past. Literally translated, **Shunga** means ‘spring image’, a delicate way of saying ‘sexual relations’ between people. This word was used to designate Japanese erotic paintings of the 16th, 17th and 18th centuries, a type called ukiyo-e, which were nothing more than works on wood or parchment with sensual scenes and episodes of carnal love, always made with a lot of care and good taste. The **Shunga** art, although hidden for centuries, marked the It was the beginning of the pornographic industry for the Japanese middle class and served as a source of income. for generations as a teaching for the sons and daughters of many families.
