Product description

Lotus Noir is a sensitizing gel designed for the intense pleasure of the couple. This gel helps increase the sensitivity of the clitoris and/or penis, for a much more pleasant shared experience.

- Purely certified organic water and glycerin base. Made with certified organic ingredients. In addition, it has damiana extract, a plant with stimulating virtues since it makes it easier for blood to go to the genital area.
- Helps increase clitoral sensitivity and penile sensitivity.
- Improves lubrication
- Compatible with Latex condoms.

For a more pleasant and intense shared experience, apply and massage the gel with your fingertips on the clitoris and glans before making love.

Package 60ml.

Ingredients : eau, glycerine, propylene.

Shunga is the world leader in erotic cosmetics, its natural ingredients fused with active ingredients achieve great results.

Entering the erotic world of Shunga is like traveling to the past. Literally translated, Shunga means 'spring image', a delicate way of saying 'sexual relations' between people.

This word was used to designate Japanese erotic paintings of the 16th, 17th and 18th centuries, a type called ukiyo-e, which were nothing more than works on wood or parchment with sensual scenes and episodes of carnal love, always made with great care. and good taste.

Shunga art, although hidden for centuries, marked the beginning of the pornographic industry for the Japanese middle class and served for generations as an education for the sons and daughters of many families.
