Product description

It is the new generation of intimate lubricants, specially formulated to emulate natural lubrication and facilitate penetration.

This innovative lubricant allows you to lick, taste, and suck it, as it is the only lubricant on the market that, if ingested, does not leave a bad taste in your mouth.

This water-based lubricant is ultra-silky and intensifies the sensations experienced during intense sexual moments.

- It can be used with adult latex accessories and is water-soluble.
- Compatible with condoms.
- 165 ml bottle.

Shunga is a world leader in erotic cosmetics. Its natural ingredients combined with active ingredients achieve great results. result.

Entering the erotic world of Shunga is like traveling back in time. Literally translated, Shunga means "image of spring," a delicate way of saying "sexual relations" between people.

This word was used to designate Japanese erotic paintings of the 16th, 17th, and 18th centuries, a type called ukiyo-e, which were nothing more than works on wood or parchment with sensual scenes and episodes of carnal love, always crafted with great care and good taste.

Shunga art, although hidden for centuries, marked the beginning of the pornographic industry for the Japanese middle class and served as a for generations as a teaching for the sons and daughters of many families.
