Shunga is a world leader in Erotica cosmetics, its natural ingredients fused with active ingredients achieve a great result

Entering the erotic world of Shunga is traveling to the past. Literally translated, Shunga means 'spring image', a delicate way of saying sexuales sexual relations 'between people.

This word was used to designate the Japanese erotic paintings of the 16th, 17th and 18th centuries, a type called ukiyo-e, which were nothing other than works on wood or parchment with sensual scenes and episodes of carnal love, always elaborated with great care and good taste.

Shunga art, although hidden for centuries, marked the beginning of the pornographic industry for the Japanese middle class and served for generations as education for the sons and daughters of many families.
