Product description

Sensual massage oil of high quality EASTERN origin, composed of a mixture of essential oils of sweet almond, grape seeds, sesame, avocado, pure essence of Ylang-Ylang and Yohime.

Sensual aroma of MIDNIGHT FLOWERS, stimulating all the senses, specially selected for its softness when spread over the skin without leaving a greasy sensation.

Manufactured according to the ancient oriental tradition, with this oil of absolute sweetness, you will fantastically glide over your lover's body, producing an APHRODISIAC sensation.

Dermatologically tested, it does not produce any allergic reaction and is completely harmless to the skin.

- 240 ml transparent container.

Shunga is the world leader in Erotica cosmetics, its natural ingredients fused with active ingredients achieve great results.

Entering the erotic world of Shunga is like traveling to the past. Literally translated, Shunga means 'spring image', a delicate way of saying 'sexual relations' between people.

This word was used to designate Japanese erotic paintings of the 16th, 17th and 18th centuries, a type called ukiyo-e, which were nothing more than works on wood or parchment with sensual scenes and episodes of carnal love, always made with great care. and good taste.

Shunga art, although hidden for centuries, marked the beginning of the pornographic industry for the Japanese middle class and served for generations as an education for the sons and daughters of many families.
