Product description

Shunga Surprise your partner with this edible body paint that Shunga has created for the body, with a delicious flavor made with top quality ingredients. Cava and strawberries are aphrodisiacs... Even more so if you create drawings with it on your lover's skin and savor it afterwards. When spread on the skin, it leaves it silky, without staining it and does not contain artificial coloring. It is not sticky and you can fully enjoy the rich flavor of cava and strawberries on the skin of that special person. It includes a brush so that lovers can unleash their creativity and then savor it, it is used on the entire body and on erogenous zones. This delicious and sophisticated Shunga edible body paint is accompanied by a mischievous brush with which to unleash your creativity. Write poems or messages of love, draw hearts or stars, trace the letters of your name... and then enjoy a double feast: the exquisite sensuality of chocolate and the desired body of your lover.

Shunga is the world leader in erotic cosmetics, its natural ingredients fused with active ingredients achieve great results.

Entering the erotic world of Shunga is like traveling to the past. Literally translated, Shunga means 'spring image', a delicate way of saying 'sexual relations' between people.

This word was used to designate Japanese erotic paintings of the 16th, 17th and 18th centuries, a type called ukiyo-e, which were nothing more than works on wood or parchment with sensual scenes and episodes of carnal love, always made with great care. and good taste.

Shunga art, although hidden for centuries, marked the beginning of the pornographic industry for the Japanese middle class and served for generations as an education for the sons and daughters of many families.
