### Product description

It is a cream specially designed to help tone flaccid muscles and narrow the vaginal canal, thanks to its astringent effect.

It is applied gently to the vaginal walls.

With this product you will discover new sensations that will lead you to the paroxysm of orgasm.

As each woman has a different sensitivity, you can apply it repeatedly until you get the perfect spot and the most pleasant sensation.

Drive your partner to pure exaltation by enveloping him vigorously and rediscover sexual pleasure by reaching levels of intimacy that you thought were lost forever....

Quantity 30 ml.

Shunga is the world leader in erotic cosmetics, its natural ingredients fused with active ingredients achieve great results.

Entering the erotic world of Shunga is like traveling to the past. Literally translated, Shunga means 'spring image', a delicate way of saying 'sexual relations' between people.

This word was used to designate Japanese erotic paintings of the 16th, 17th and 18th centuries, a type called ukiyo-e, which were nothing more than works on wood or parchment with sensual scenes and episodes of carnal love, always made with great care. and good taste.

Shunga art, although hidden for centuries, marked the beginning of the pornographic industry for the Japanese middle class and served for generations as an education for the sons and daughters of many families.
