Shunga is a world leader in erotic cosmetics, its natural ingredients fused with active ingredients achieve great results. Entering the erotic world of **Shunga** is like traveling to the past. Literally translated, **Shunga** means 'spring image', a delicate way of saying 'sexual relations' between people. This word was used to designate Japanese erotic paintings of the 16th, 17th and 18th centuries, a type called ukiyo-e, which were nothing more than works on wood or parchment with sensual scenes and episodes of carnal love, always made with great care. and good taste. **Shunga** art, although hidden for centuries, marked the beginning of the pornographic industry for the Japanese middle class and served for generations as an education for the sons and daughters of many families.
