Product description

INTT Crunchy Foam Vanilla is a deliciously moisturizing, effervescent, sweet vanilla-scented foam designed for both relaxing and highly arousing massages.

When the small particles of the foam come into contact with the hands and body, they provide a totally energizing experience, since it activates microcirculation. Its vanilla aroma sharpens the senses and leaves the skin with a velvety, light and soft texture. It is not kissable and is designed for massages throughout the body, with the exception of the intimate area.

It comes in a very practical 100 ml dispenser container.

Main features:

- Moisturizing and effervescent foam.
- Vanilla scent.
- Relaxing and exciting massages.
- Energizing experience.
- It leaves the skin soft and smooth.
- It's not kissable.
- Comfortable with dispenser.
- 100 ml container.
