Product description

INTT Massage Gel Coffee is a massage gel with an aroma and flavor of intense coffee that adds a pleasant and warm heat effect.

Designed to massage the most sensitive areas of the body such as the vulva, nipples, glans, clitoris or anal entrance, providing extra sensations thanks to the very light and pleasant heat effect. An ideal kissable gel for the practice of oral sex with a different touch, thus opening up a wide range of possibilities for very appetizing intimate games. It is also a gel totally suitable for penetration and its way of use is to apply the desired amount in the area to be stimulated and massage gently.

It comes in a small and practical container of 30 ml.
